WHY MINISTRYCONNECTSM?

Leadership is the key to the health of churches. When you have the right leader in the right place at the right time, church growth can and does occur.

MinistryConnect provides a uniquely professional system. It is based on the premise that effective ministry matching can only occur when there is comprehensive information and analysis.

In coaching, there is no substitute for experience and expertise. The MinistryConnect Team is well-trained with a wide range of experience in assisting churches.

WHO LEADS THE MINISTRYCONNECT TEAM?

Roger Hatfield, PhD, has ministered in a variety of settings including pastor, worship leader and educator. For 18 years he led a state denomination in small groups and congregational vitality.

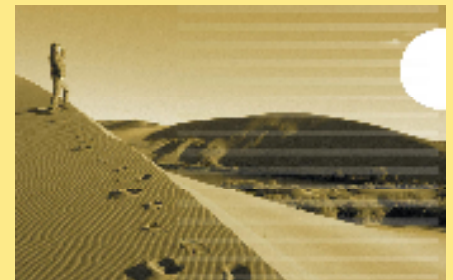

Verlyn Bergen, DMin, has ministered in a variety of settings including pastor, student minister and educator. For 23 years he led a state denomination in small groups, church growth and leadership development.

Roger and Verlyn have a combined 70+ years experience in ministry – judicatory leadership, pastoring, teaching, coaching and mentoring ministers and churches.
